

BEST FIRE EQUIPMENT COMPANY

918 Enterprise Way, Suite D, Napa, CA 94558

JOB TITLE: FIELD SERVICE TECHNICIAN 3

Reports To: Service Manager and Company Officers as needed.

JOB SUMMARY

Services, repairs and tests fire extinguishers from a company service vehicle at customer sites such as factories, office buildings, small businesses, warehouses, wineries, bus yards, schools, apartments, and homes, as well as city, county, state, and federal government facilities. There may also be service and sales work performed at our retail shop location.

ESSENTIAL DUTIES AND RESPONSIBILITIES include the following:

Work independently at customer sites, adhering to company and client-site safety requirements.

Perform duties associated with the maintenance of a fire extinguisher:

- Dismantle fire extinguishers and examine extinguisher shell, discharge hoses, gauge, head gaskets, O-rings and other parts for defects.
- Sift and check extinguisher chemical and reassemble extinguisher.
- Replace worn or damaged parts.
- Clean extinguishers and recharge them with nitrogen, or refill them with patented solutions.
- Test extinguishers for conformity with legal specifications of the State of California.
- Install cabinets, mounting brackets, and signage.
- Occasionally required to examine fire hose and fire equipment to evaluate, repair, or determine service needed, if any, by licensed facility.
- Sell fire extinguishers and related fire equipment to existing customers.
- Other duties may be assigned.

SUPERVISORY RESPONSIBILITIES

May be expected to directly supervise and/or train one or more employees as directed by supervisor.

May be required to provide one-on-one training to customers on the proper use of fire extinguishers.

QUALIFICATIONS

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required.

DISABILITIES

Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions of the job.

EDUCATION and/or EXPERIENCE

- High school diploma or General Education Development (GED) certificate.
- Three months or more job-related experience and/or training
- Equivalent combination of education and experience.
