**First Aid Service Plan by Best Fire Equipment**

What We Do	What We Do NOT Do	Charges
Provide Quality First Aid Products delivered by our Employee Technicians who are First Aid & CPR Certified.	Pay Commissions on Volume Charge per Cabinet Serviced	Service Charges: Location Dependent Usually No Charge
Disinfect and Clean all exposed surfaces	Charge for disinfecting, cleaning	None
Organize supplies in cabinets/kits	Leave your cabinet in disarray	None
Inspect Contents for Expiration Dates Dispose of Expired Items. Re-stock Expired Items as needed (or requested). Note: Some items may be required even though they haven't been used.	Leave expired items in cabinets Charge for disposal Re-stock expired items solely for that reason If you haven't used an item, do you need it?	None No disposal charges Only for re-stocked or required items per ANSI-Z308.1-2015
First aid cabinets, kits and products are delivered and/or stocked for you.	Charge for delivery	Only for products used or ordered.
Customize Contents for your business and specific hazards.	Charge for hazard consultation and recommendations	We recommend YOU Decide
Gravity-fed Eye Wash Station Service: Empty, Rinse, and Refill with water and Anti-Bacterial Solution – service recommended at <u>3-6 month</u> intervals	Charge for service visit	By Request: \$50.00 (labor) plus anti-bacterial solution
Product Training for your Employees Provide informal tail-gate style training on product use for employees – by request	Charge for training	By Request No Charge - during service visits
First Aid kits or cabinets are maintained to meet First Aid Regulation, 29 CFR 1910.151 and ANSI Z308.1-2015	Maintain LESS than Minimum requirements	None
Use Only OSHA-compliant products and packaging, i.e. Single Dose packaging.	Use OTC or Bulk packaging or Non-FDA-compliant products	None
<b>SAVE YOU MONEY SAVE YOU TIME</b>	Charge high prices Send you to WalMart to restock	<b>LESS than Our Competitors</b>
